

Soldier on

September 7, 2022

soldier on ho man, you shall reach nigh the shores
gathered-around, or broken thrice
all that guide is that of the heart
not that of high, but that of deep
that keep them off harm
like the very same breath
like step of the path
soldier on ho man, for a truth is rather nigh
you are eroded but you are
and this truth will have to bear
you'll tempted luck by doing a cross
like the bastard that you like
and this flame this I will keep
for I know it is of me
soldier on ho man, you'll end I know that
I know you from little
I know all about
the frogs in the chamber
the rambling about
I known you from little
you are rather sad
soldier on ho man, you know you will have
